Dear Sir / Madam,

RE: **OFFICIAL SELECTION FOR FREE INSTALLATION OF THE SHULE.TV ONLINE DIGITAL LEARNING SYSTEM**

Shule.tv is pleased to formally inform you that your school has been selected among the twenty (20) schools in your district to benefit from the Free Online Digital Learning System Programme under our ongoing nationwide digital education initiative.

This programme is aimed at supporting schools with a fully developed, modern, and efficient online learning platform, as part of efforts to promote digital literacy and enhance access to quality learning resources.

We further wish to confirm that Shule.tv is officially approved by the Ministry of Education and Sports to support schools across the country in advancing digital learning and technology-driven education.

Equal Consideration & Remote Deployment

Kindly note that physical visits are not required for this programme. The entire system is developed, installed, and deployed remotely, ensuring that schools benefit equally regardless of location (urban or rural), status, ownership, or size.

What Your School Will Receive

Under this programme, your school will receive:

- Full access to the Shule.tv Online Learning Platform

- Digital lessons and examinations for Primary and Secondary levels
- Virtual learning support for learners and teachers
- Access on phones, computers, tablets, iPads, smart TVs, and projectors
- Capacity to support over 5,000 learners / devices simultaneously
- Usability during school terms and holidays
- One (1) month of free subscription

There are no charges whatsoever for installation, setup, or configuration.

Subscription Terms:

- After the expiry of the one (1) month free subscription, the school will be required to pay a standard subscription fee of **Uganda Shillings One Hundred Thousand (UGX 100,000)** per term.
- No other payments are required. There are no hidden charges, installation fees, or setup costs.

Next Steps

To proceed, kindly:

1. Confirm your school's interest
2. Receive the official participation form
3. Return the signed and stamped form
4. Upon receipt, the system will be developed and deployed within 2–3 hours

Please note that slots are limited per district, and selection is strictly based on availability under this programme.

For confirmation or further clarification, kindly contact us through:

WhatsApp / Call: 0767 936 724

Email: shule.tv2@gmail.com

We look forward to partnering with your school in transforming teaching and learning through technology.

Yours faithfully,

Obonyo Kenneth
Director Marketing & Operations
